Ephesians 5:21-33

Covenant: A prearranged set of conditions for the purpose of creating and maintaining a successful relationship.

Responsibilities I have to pick up

I. Love

Romans 5:8

I assume the responsibility to love you according to the standard of Christ's love and to never justify any action or word that falls to a lower standard!

II. Honor

I Peter 3:5-6

I assume the responsibility to honor you and to do everything possible to help you achieve your highest potential and God's perfect will for your life!

III. Submission

Ephesians 5:21

I assume the responsibility to serve you by first submitting my life to the Lordship of Jesus Christ and by surrendering to His Word as the standard for my life and our marriage and family!
