

The FOUR LAWS of LOVE

Growing Together Jimmy Evans

Three Critical Factors That Cause Us to Grow Together

1. Our decisions are made without regard to our emotions.

A. The Problem with Our Feelings as Guides of Our Decision Making

- 1) Feelings are fickle and unpredictable.
- 2) Feelings may be very real but very wrong.
- 3) The devil has access to our emotions.
Ephesians 4:26–27; 2 Timothy 1:7
- 4) God doesn't bless emotions. He blesses right actions.

B. How to Make Decisions Correctly

Hebrews 13:4–5

2. The purpose of our lives is connected and mutually respected.

Genesis 1:26–28, 2:18; 1 Peter 3:7; Ephesians 5:21–24

Our common purposes are to:

- Raise godly children.**
- Expand God’s kingdom.**

3. We are growing in our relationship with Christ.

Galatians 5:19–23
