### Discuss

1. The Bible gives multiple accounts of Jesus healing people during His time on earth. Do you believe He still heals today? Why or why not?
2. What did Pastor Tim Ross mean when he said, “proximity didn’t bring pollution”?
3. How are we like the man with leprosy mentioned in Matthew 8?
4. How does it make you feel to know Jesus won’t distance Himself from you no matter what you’ve done or what you’re going through?
5. What is Jesus willing to do in our lives?
6. Why is it hard to keep miracles to ourselves?
7. What is the Holy Spirit saying to you through this message?

### Takeaway

As we conclude, remember the following:

- Jesus wants us to come close to Him.
- Jesus wants to heal us in every area of our lives.

### Prayer

Heavenly Father, thank You for faithfully keeping Your promises to us. We are so thankful You sent Jesus to heal the sick, and we believe You are still willing to heal us in every area right now. Help us trust You with our issues and pain. We invite You into every hidden, dark, or broken area of our lives. Thank You for loving us and setting us free. In Jesus’ name we pray, Amen.

### Leader Tip

One of the best ways you can grow as a leader is by spending time in God’s Word. The more you know His Word, the more wisdom you will have to help people in your group and the more God will strengthen your heart and spirit by renewing your mind.

## **Group Dynamics Idea**

Allow time for your group members to share one way God has answered a specific prayer in the past few months—big or small. Then celebrate together what God has done! This simple act builds faith and encourages your group members.
