Takeaway

As we conclude, remember the following:

- Jesus wants us to reach out to Him with faith.
- Jesus wants to heal us in every way.

Prayer

Heavenly Father, thank You for sending Jesus to heal us. Help us trust You with our issues and pain. We believe You will heal us in every way. We choose to reach out and touch You because You want to make us whole. Thank You for loving us, setting us free, and healing us completely. In Jesus' name we pray, Amen.

Leader Tip

God created the law of sowing and reaping. Are there areas of lack in your life or in your leadership? Consider how you might sow seeds of faith into those areas so you can experience the principle of harvest.

Group Dynamics Idea

Rest is a gift from God. Ask your group members to think of ways to incorporate more rest in their daily lives. Once you've come up with some ideas, encourage your group to rest intentionally in the coming week. Afterward you can check in with one another and have a discussion about how the time of rest made a difference for everyone.
